**It's A New Year**

It's a brand new year! Wishing you God's blessings, strength and grace as you journey through this year. Whether you are about to walk through the greatest year of your life, or the most challenging, God's word and promises hold true. Read these words from Romans 12 from 'the Message'. This is what Faith in Action looks like:

*Take your everyday, ordinary life your sleeping, eating, going-to-work, and walking-around life and place it before God as an offering. Embracing what God does for you is the best thing you can do for him. Don't become so well-adjusted to your culture that you fit into it without even thinking. Instead, fix your attention on God. You'll be changed from the inside out. Readily recognize what he wants from you, and quickly respond to it. Unlike the culture around you, always dragging you down to its level of immaturity, God brings the best out of you, develops well-formed maturity in you....Living then, as every one of you does, in pure grace, it's important that you not misinterpret yourselves as people who are bringing this goodness to God. No, God brings it all to you. The only accurate way to understand ourselves is by what God is and by what he does for us, not by what we are and what we do for him.... keep your eyes open and be quick to respond; ... Love from the center of who you are; don't fake it. Run for dear life from evil; hold on for dear life to good. Be good friends who love deeply.*

Faith in Action: Be a hero for God this year.

**FOR YOUR INFORMATION:**

**Prayer Corner:** As we begin 2018, may we experience and share God's love and grace within and beyond our community. We thank God for the blessings He provides so abundantly and for the time of renewal and refreshment we had through the break. We pray for Judy (bus driver) and Harry Benjamins as Harry experienced a heart attack on Christmas Day. He is home recovering from heart surgery. Our prayers go out for the Greenwood family as they support a very ill parent, and to other families who are experiencing challenges. Please pray for safety for our buses as we are in the heart of winter driving conditions.

**Christmas Thanks:** For all of you who blessed our staff with cards, delicious baked goods, candles, gifts, candy, chocolate, and other gifts and treats, a big THANK YOU. It is good to partner with you as we grow our children in the knowledge of God and his creation. Thank you for showing your love through gifts and words of encouragement and appreciation.

**Welcomes & Good-byes:** There are a few new faces at WCS today. Welcome to the Klingenberg family - Luke (grade 2B), Hannah (grade 1A), and Emma (JK). We pray that you and your family will soon feel part of the WCS community. Welcome back to Isaiah VanWyk and family who are back from their time in Mozambique and South Africa! We look forward to hearing about your experiences there. We have said good-bye to Rachel and Hyun Kim, and to EmmaRose Saarloos who have transferred to other schools, and to Mrs. Barnes who has taken on other employment. We wish you God's rich blessings. We welcome to our staff, Joleen Mulder, our new Advancement & Communications Director for WCS. Please note that Mrs. Koopman's office time is now shared with Mrs. Dawn Streutker who will be in charge of the front office on Mondays for the remainder of this school year.

**Child Cognition Lab:** The University of Waterloo will be conducting their annual Child Cognition Lab at WCS on Wednesday January 10th in the morning.

**WCS Electives:** We hope to begin selection for the elective activities for our junior and intermediate students this week. Electives begin on Wednesday, February 7, and run for five weeks until March 7, 2018 from approximately 2:10 to 3:30. Students will be given an opportunity to select 3 choices from about a dozen activities this week Wednesday. Please watch for an email that will be sent home and help students select their 3 choices on-line. If you have any questions, please let [g.hiemstra@woodstockchristian.ca](mailto:g.hiemstra@woodstockchristian.ca) know.

**Sr. Girls Basketball:** Thank you to those who came out to our practice during the break! It was a great opportunity for us to work on some skills and plays. Our season begins this week! I am in need of some drivers for the various games that we will be attending. Please let me know what date you can drive, and how many students you can you take. Look for an email from me regarding various games and practices.

**Learning Place:** Happy New Year! Thank you for all the Christmas wishes and gifts I received before the break. It is truly an honour and blessing to partner with all the Learning Place families! I pray God will bless your families in 2018. Just a reminder that book bags (for students in grades 1-3) are due every Tuesday. Try to get back into the daily routine of spending a few minutes every night reading to and with your child. Reading at home is one the best ways you can help your child do better in school. Raz-Kids accounts are still active; please let me know if you are no longer interested in this online reading resource or if you have any questions about how to use it. Thanks! ~Mrs. Bulthuis

**Transportation Matters:** We have been experiencing full winter conditions! Please note that weather and road conditions vary widely across our catchment area. There may be days when our buses travel in less than ideal conditions. If you feel you would rather keep your child home or drive yourself when conditions change, that is always a choice that you can make. Please notify the school office if your child will be late or absent. We ask for your patience with our buses and drivers as on snowy and wintery roads bus routes may take a little longer or begin slightly earlier. If you have not signed up for the REMIND system for instant updates, please check in with our office staff.

**Thursday February 1 at 7:45 pm is Kindergarten Information Evening.** Please share this date with any friends or family that you think would be interested to learn more about Woodstock Christian School. We will have a few different speakers, a power point presentation from our JK teacher, and will end the night with a tour of the school. If you have any questions please email [admissions@woodstockchristian.ca](mailto:admissions@woodstockchristian.ca).

### **SONG OF THE MONTH:** Walk By Faith

I can't hold the world in my hands  
 but I believe in the One who can  
 I don't know what the future will bring  
 But I believe You have a plan for me  
 And even when I can't see You know that I still believe  
 Because I know everything You say is true  
 I know I can always trust in Your never ending love  
 That You're always gonna see me through – Yeah

#### Chorus

I'm gonna walk by faith, no matter what comes my way  
 and stand on Your promises  
 You are faithful and true everyday so I will walk by faith

Repeat verse

Chorus 2 x

Every step I take every single day  
 I'm gonna walk by faith, I'm gonna walk by faith  
 Every move I make I will not be afraid  
 I'm gonna walk by faith, I'm gonna walk by faith

Chorus 2x
