

February 1, 2021

When we discuss why we do what we do at Woodstock Christian School, inevitably the word 'equip' comes up. When you consider the what and how of raising children in your family, I am sure you also desire to equip your kids for life beyond your family. We teach students through the lens of the Bible, who they are, whose they are, and about the wonders of creation and the brokenness in our world. We teach them about who Jesus is, and how to live as Jesus-followers in the world. We teach skills and strategies. We want to equip students with knowledge and ability for future education, for relationships, and for work.

**STAND FIRM** is our WCSchool theme this year based on two passages: "Be on your guard. Stand firm in the faith. Be courageous. Be strong. And do everything with love" (1 Corinthians 16:13-14), and Ephesians 6:10-20 where Paul speaks about putting on the whole armour of God.

In the next couple of months, we will explore these various pieces of spiritual armor, and how each of us, adults and children, can use these in our faith- and life-walk to STAND FIRM.

God provides these six aspects of the Christian life, (see the illustration here - shield, helmet, belt, sword, breastplate, shoes) plus prayer (verse 18), to strengthen and protect us and ultimately help us to triumph in our spiritual battles. Remember to pray for your children, that they will be strong, stand firm, grow and flourish.

**FOR YOUR INFORMATION:**

**Prayer Corner-** It feels like a new year now that we have our students back in the building! So great! And we are so thankful. We continue to pray for and seek wisdom and patience as we navigate this year. Thanks parents and students for your amazing efforts in the weeks of remote learning. We praise God for His blessings and love. Pray for our families and our community all those who are under the weather with concerns or illnesses.

An update from the Vandenburg family: *We thank you for all your prayers and support. Rob is doing very well. His surgery went well in December, he had 2 muscles removed in his leg along with the tumor. Please keep us in your prayers as he is still not able to walk, this could take a few weeks yet.*

Also pray for our Board and committees as they begin planning for the next school year. If you have specific prayer requests, be sure to pass those along to our prayer team through [j.mulder@woodstockchristian.ca](mailto:j.mulder@woodstockchristian.ca). Prayer group resumes this week at 8:30am on Wednesday morning in the outdoor classroom.

Faith. Learning. Community.

**Kindergarten recruitment-** Pray for families with kindergarten age students who are considering registration at WCS and those who are considering re-enrolment and educational choices for the next school year. Whenever you can, reach out and engage in conversation; ask, encourage, and support one another. Our kindergarten information event is taking place on February 18th. If you know of families with children ready for kindergarten, steer them towards this event or connect them with Mrs. Mulder in the front office.

**Long weekend-** Please note that Friday, February 12th is a PD day and that there will be no classes for students. Teachers will be meeting to discuss learning and curriculum matters and to make plans for our spring Celebration of Learning. Monday is FAMILY DAY in Ontario. Blessings for this holiday and the opportunity to celebrate God's gift of family!

**School Health-** Thank you, parents, for effectively using the screening procedures (see the screening tool [COVID-19 school screening](#)) and protocols we have in place to keep our school and community as well as we can. A reminder that parents and visitors are not allowed in the building yet. If you have items to drop off or want to connect with us, please use the buzzer or intercom at our front door.

**Kindergarten Registration Day** will be held on Thursday February 18. If you have a child going to Kindergarten or know somebody interested in going to Kindergarten, please email Joleen and book a time to register.

**Re-enrolment @ WCS-** You have received the WCS Re-enrolment Commitment Form from our school office. Please complete and return this form as soon as possible and before January 31st. Our Board of Directors and school administration are beginning planning and preparation for the 2021-2022 school year and would appreciate your information in order to make those plans. Please pray for wisdom during this planning process.

**MAP testing-** Our winter round of MAP testing is scheduled to begin this week.

**From the Ontario Ministry of Education: Supports for Students and Families**

Financial support is available for families during this temporary remote learning period through the Support for Learners program. Starting on January 11, 2021, an expanded Support for Learners program is providing:

- \$200 for each child/youth up to grade 12, and;
- \$250 for each child/youth up to age 21 with special needs.

Applications will be open until February 8, 2021. Please visit <https://www.ontario.ca/page/get-support-learners> for more details.

**Chicken Orders:** Thank you to those of you who have supported WCS through chicken sales. For every box sold, the school makes \$5 and over the past number of years, your purchases have raised over \$25,000 for our school! We are not asking you to collect orders necessarily, (though you may of course) but we are simply asking you to purchase through the school what you would normally purchase at the grocery store.

There is a paper copy coming home today with your child and pdf copy of the order form is attached to this email. Please return your order forms to the school, ACCOMPANIED WITH PAYMENT, by next Tuesday, February 9<sup>th</sup>. We are only able to accept cash, cheque or debit payments. Orders without payment will not be placed.

We will have two pick up times again: the first will be between 2:50 and 3:10 and the second is between 3:30 and 4 pm. This way we will not be interfering with busses. Please make arrangements to have your orders picked up during these time frames. Please come to exterior gym door (the one in the parking lot) where we will greet you and deliver your order to your car. Just a reminder that we cannot store your orders at school. Thank you for your support.

If you have any questions, please contact Michelle Sol at 519-532-4904 or [thesols@yahoo.com](mailto:thesols@yahoo.com)

**Student Support:** What a wonderful start to our week with students back in the building. This was the first day in a month that we had no frozen faces or students who suddenly disappeared! Parents, thanks again for the awesome job you did helping your child(ren) navigate remote learning, and for your support as we return to school. If you have not already done so, please ensure all writing books, whiteboards, and markers are returned to the Learning Place. Keep reading at home and return book bags on Wednesday so they can be updated with new books and sight words. Enjoy a quieter week at home!

**Wednesday** -Return book bags (gr 1-3)
